Rules and Regulations of Tourists when entering Namibia

March 26, 2022.

- Wearing of masks in public places is no longer mandatory.
- Fully vaccinated travellers are no longer required to produce a negative PCR test result upon arrival in Namibia, but instead required to present an authentic valid vaccination certificate.

Fully vaccinated means:

- An adult, 18 years and older, has received two doses of vaccination.
- In cases of vaccinations like Johnson & Johnson, one dose is required.
- A booster vaccination is not a requirement for entry into Namibia.
- Children from 5 to 12 years must present a negative SARS-COVID PCR test, if they are not vaccinated.
- Children younger than 5 years are not required to present a SARS-COVID PCR test, even when they are not vaccinated.
